

# Compensation Plan

Abundance Can Be Yours

Dear Friends,

In designing FreeLife's Compensation Plan, Kevin and I continually asked one simple question: "How would we want to be compensated if we were Marketing Executives in the field building a FreeLife Business?" You see, Kevin and I were both distributors in the Direct Selling business before we started FreeLife. From that experience, we came to have a keen understanding of what it is like to be in your shoes. This gave us the ability to design a compensation plan by applying the Golden Rule: **Reward our Marketing Executives exactly the way we would want to be financially rewarded if we were Marketing Executives.**

As a result, we believe FreeLife's Compensation Plan is the most lucrative plan in the Direct Selling industry. Designed to reward those who are involved on a part-time or a full-time basis, FreeLife's Compensation Plan provides significant up-front as well as long-term income at every level of participation. Our goal is simple: reward our engaged Leaders better than any company we know of.

Here's to your health and wealth!

## 2. Fast Start Bonus

The Fast Start Bonus (FSB) provides excellent immediate and long-term income for new and existing Marketing Executives (MEs). The FSB is paid on every new ME's first 2 months of product purchases (excluding Quick Start Packs as they are commissioned in the Quick Start Bonus), up to 100 FreeLife Points, 5 enrollment levels deep. As an active AC100 ME, you earn 20% on the first 100 Commissionable Points of product purchased by your new Enrollees in their first two months. Qualified Star Directors and above earn 10% on the Commissionable Points of product purchased (up to 100 FreeLife Commissionable Points/month; Quick Start Packs are excluded) during the first 2 months of new MEs on their 2<sup>nd</sup>, 3<sup>rd</sup>, 4<sup>th</sup>, and 5<sup>th</sup> enrollment levels. This can become very significant as you are earning 10%, 4 additional enrollment levels deep, and each enrollment level can have an unlimited number of MEs.

Level 2	10%
Level 3	10%
Level 4	10%

## The Power of Daily Pay

Getting money into your bank account quickly is a huge benefit to your FreeLife® Business. We do this with one of the most innovative compensation ideas found anywhere – Daily Pay. Every time you enroll a new AC100 ME with a Quick Start Pack, you will be paid the \$60 first-level Quick Start Bonus within 3 business days of your enrollment. And because FreeLife pays this bonus every day, you literally could be receiving a deposit into your bank account every day!

### Words to Know

#### **MARKETING EXECUTIVE (ME):**

Someone who: has paid the Membership fee; has agreed to FreeLife Agreement and Policies and Procedures; and wants to earn income through FreeLife's Compensation Plan.

#### **CUSTOMER:**

Someone who: is only a product user; has not become an ME; and is therefore not interested in earning income with FreeLife®.

#### **AC 100:**

FreeLife's Advantage Customer 100 back-up order program. As an AC100 ME or Customer, you will save 10%-30% on every order and have your preselected product pack conveniently shipped to you in the event you do not place your order in a month.

#### **COMMISSIONABLE POINTS:**

Each FreeLife product contains Commissionable Points that are used to calculate commissions.

#### **QUALIFYING POINTS:**

Each FreeLife product contains Qualifying Points that are used to calculate title qualifications. In most cases, Commissionable Points and Qualifying Points are the same.

#### **ENROLLER:**

The ME directly responsible for enrolling a new FreeLife Customer or ME.

#### **SPONSOR:**

The first ME directly above you in the Organization. Your Sponsor and Enroller can be different.

#### **LEVEL:**

The physical position that an ME occupies in your Organization. A level consists only of MEs as Customer Points are included as part of the Personal Points of an ME. Any ME you sponsor is on your Level 1.

#### **TOTAL PERSONAL POINTS:**

The total personal points accumulated by an ME's personal product purchases plus all of the purchases of his/her Customers in a given month.

#### **ACTIVE MARKETING EXECUTIVE:**

An active ME is defined as an ME with at least 100 Personal Points.

# 3. Quick Start Bonus

FreeLife's Silver, Gold, and Platinum Quick Start Packs (QSPs) are a great way for a Marketing Executive (ME) to get started and save up to \$364 off the regular AC prices of our best-selling products! By purchasing a QSP, you are eligible to receive the \$150 minimum guarantee at Star Director. By purchasing a Gold or Platinum QSP, you are also eligible to earn the \$600 monthly Lux Car Club Bonus at Star Director IV or above.

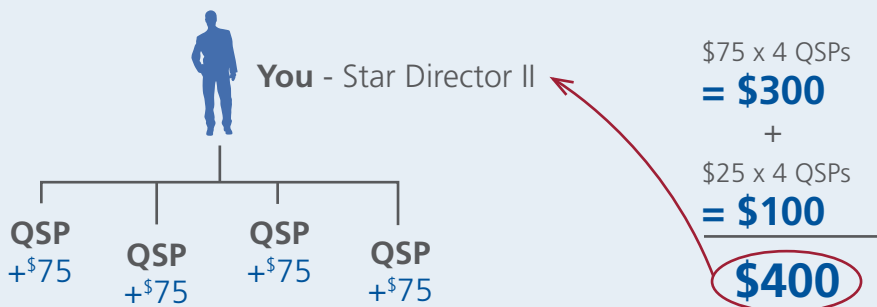

You can earn up to a \$115 Quick Start Bonus whenever a QSP is purchased in your Organization, up to an infinite number of enrollment levels deep, as follows:

Whenever your Personally Enrolled ME purchases a QSP, you will earn \$60 - \$115 depending upon your pay title as indicated below. \$60 is paid as part of Daily Pay and the remainder is paid in your monthly commission check. In addition, you will earn an additional \$25 whenever 2 or more Personally Enrolled MEs purchase a Gold or Platinum QSP in the current month. When a QSP is purchased in your Organization, you can earn the difference between the Quick Start Bonus paid at your pay title and the Quick Start Bonus paid to qualified MEs in your enrollment Organization.

Quick Start Bonus Earning Chart				
Marketing Executive (ME)	Star Director II (SDII)	Ambassador (A)	Ambassador III (AIII)	Royal Ambassador (RA)
\$60 (+\$25)	\$75 (+\$25)	\$90 (+\$25)	\$105 (+\$25)	\$115 (+\$25)

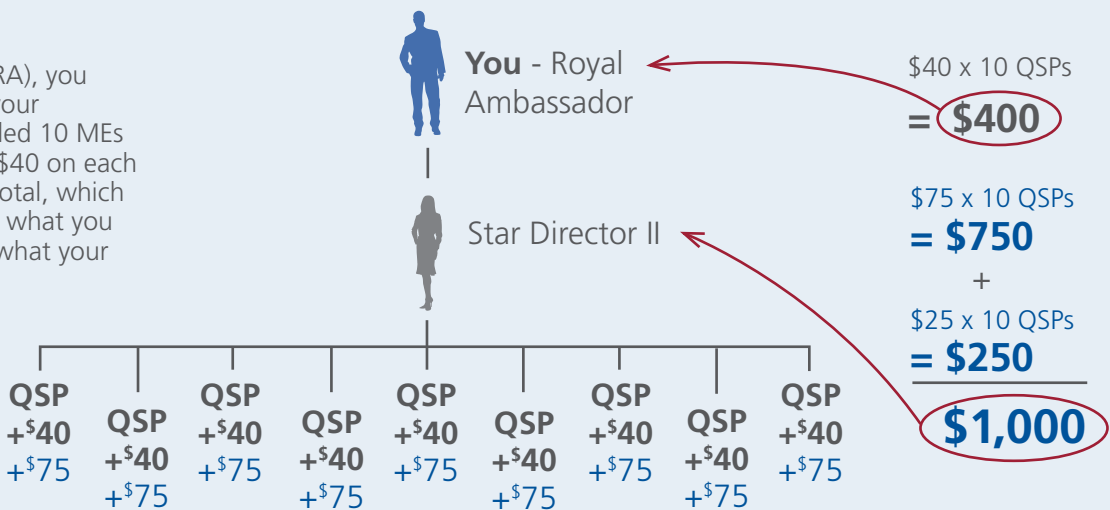

## Example #1:

As a Star Director II (SDII), you enroll 4 AC100 MEs with a Gold or Platinum QSP in the month. You will earn a \$75 Quick Start Bonus on each of the QSP enrollments giving you \$300. In addition, you will earn a \$25 Bonus on each QSP because you enrolled 2 or more Gold or Platinum QSPs in the month, giving you a total of **\$400**.

## Example #2:

As a Royal Ambassador (RA), you have a Star Director II in your enrollment leg who enrolled 10 MEs with QSPs. You will earn \$40 on each of the 10 QSPs, \$400 in total, which is the difference between what you earn as a RA, \$115, and what your SDII earns, **\$75**.

Your success depends on your effort, commitment, skill, and leadership abilities, and how effectively you exercise these qualities.

# 4. 9-level Organization Commissions

FreeLife's Compensation Plan provides a tremendous opportunity for long-term income through the power of leverage. By enrolling new Customers and Marketing Executives (MEs) and teaching others how to do the same, you can develop a significant Organization. Each month that you qualify as an active FreeLife ME, you will receive 1% on level 1 and 5% on levels 2-9 of the Commissionable Points generated by the product purchases of all of the Customers and MEs in your FreeLife® Organization. Each level is defined by an active ME. In the event there is no active ME on a level, FreeLife compresses inactive levels (less than 100 Points) up to active levels, thereby maximizing the Commissionable Points in your 9 levels. The Organization Commissions are paid after the 2-month Fast Start Bonus period. Certain adjustments are made to the Commissionable Points for special packs and the Product Rebate.

# The Power of 9-level Leverage

FreeLife's 9-level Organization Commissions allow you to earn on the efforts of many people in your 9 levels. By working with a few, 4 in this example, and teaching those 4 how to enroll 4 people each on the Challenge, who then teach their people to enroll 4 people each on the Challenge, and so on down through 9 levels, you can be earning on the product purchases of potentially thousands over time as illustrated below.

Multiple advancement bonuses can be earned when an ME advances more than 1 title in the current month. # 13. FreeLife's Service Pool

One of FreeLife's most lucrative bonuses, the Service Pool, is available to all Star Director IIs and above. FreeLife's Service Pool rewards Leaders who are best living our mission of service to others by: enrolling new Customers and Marketing Executives (MEs); developing new Star Directors within their Organization; advancing in title; and helping others reach their goals. In order to participate in these lucrative pools, MEs are required to earn Service Points as follows:

## **Personally Enrolled (PE) Service Points are earned in three ways:**

1. Earn **2 Points** when you personally enroll a new AC100 Customer or ME with at least 100 Points. 1 additional Service Point will be earned if a newly enrolled ME purchases a Quick Start Pack.
2. Earn **8 Points** when you develop a new Personally Enrolled Star Director.
3. Earn **15 Points** for any of your Personally Enrolled Marketing Executives who advance to a new high title of Star Director I through Ambassador I Diamond. Your paid title must be at least equal to the title of the advancing ME in order to qualify for the Points.

## **Personally Enrolled Leg (PEL) Service Points are earned by Ambassadors and higher when you:**

Develop a new Star Director in a Personally Enrolled Leg that is not blocked by a paid Ambassador or above in that leg = **4 Points**

Star Director II-Star Director Vs must earn at least 10 Personally Enrolled Service Points to participate in the Service Pool each month. If a Star Director II-Star Director V earns 30 or more Personally Enrolled Service Points, he/she will receive double the Service Point credits for that month. The Total Service Points for Ambassadors and above will be your Personally Enrolled Service Points plus your Personally Enrolled Leg Service Points. To participate in the Service Pools, Ambassadors and above must earn at least 10 Personally Enrolled Service Points each month. If an Ambassador or above achieves 60 or more Total Service Points, that Ambassador will receive double the Service Point credits for that month.

## **Top Earners Pool**

The top Service Pool earners in each pool will receive an additional bonus:

**Star Director II-Star Director V** – Top 30 earners

**Ambassador-Ambassador I Diamond Pool** – Top 20 earners

**Ambassador II and above Pool** – Top 10 earners

## **Minimum Earnings**

Qualify in the Service Pool and your minimum Service Pool earnings will be:

**Star Director II-Star Director V** – \$125 each month

**Ambassadors and above** – \$300 each month

## Service Pool Details

Total Service Points will count for up to 3 consecutive months as long as they remain active each month. If one month is missed, the Points will no longer count moving forward. For example, a Star Director must remain active in January, February, and March for Total Service Points to count in those three months. The same rule applies for a personal enrollment of a new Customer or Marketing Executive on the AC100 and any personally enrolled advancement from Star Director I to Ambassador I Diamond. First-time Ambassadors will not block Personally Enrolled Leg (PEL) Points the first month the advancement is obtained. During that first month, the new Ambassador will receive any Star Director II through Star Director V Service Pool payout that might apply. Any PEL Points available that month will be counted toward the Upline Enroller for all 3 qualifying months. The maximum monthly total earnings in the Service Pool are: \$3,000 for Star Director II-Vs; \$7,500 for Ambassador-Ambassador I Diamonds; and \$15,000 for Ambassador IIs and above.

*Service Pool share prices and the Top Earner Pool vary per country based on country sales and shares earned in that country. Interpretation of the Compensation Plan is solely at the discretion of FreeLife.*

*The earnings depicted are not representative of the income you will earn. FreeLife makes no guarantees or projections of income, as such representations may be misleading. Your success depends on your effort, commitment, skill, and leadership abilities, and how effectively you exercise these qualities.*
